Strategic Plan

SYNTHESIS + WRITING
Spring ‘20

Task Groups will convene for a mini retreat in March ‘20. During this retreat, they will share their discoveries and ideas, add context, and clarify and hone CBE’s vision.

In Spring quarter, a writing committee will assemble to prepare a draft of the Strategic Plan. This draft will be presented to the College community at the end of the academic year.

FINAL DRAFT
Summer ‘20

The College will adopt the Strategic Plan in principle at the close of Spring ‘20.

After this agreement, a small to-be-identified team will engage in additional research + writing (where necessary), as well as editing, graphic design, and production of two documents:
- The Strategic Plan
- A Strategic Settings Report to capture the creativity, analysis, data and research that led us to the core tenets of the SP, including the Task Group research, analysis and discoveries.
